Race Format is subject to change according to entries received and at the discretion of the promoter. Race order will be determined once entries have closed for the first round. The order will be rotated at each subsequent round.

7. QUALIFYING

Qualifying will be conducted as below:

- 7.1 Qualifying for Championship classes will be conducted if entries are received in excess of the maximum number of forty (40). Qualifying will be conducted during Timed Practice whereby riders will complete five (5) laps as follows:

7.1.1 Lap One: 'yellow flag' status (i.e. no jumping);

7.1.2 Laps two and three: normal practice conditions;

7.1.3 Laps four and five: A green flag will be shown by the finisher to the lead rider to indicate the lap times will be timed to determine the top forty (40) qualifiers who will proceed into the Championship Class heats for the round. The remainder will be reserves for the day. Reserves can compete in any heat that a position becomes available throughout the day and the reserve order will be according to the rider's qualifying lap time. All reserves must be present at staging for heats ready to go should a position become available. Only riders who compete in the Championship Class will be allocated points on that day.

- 7.2 In the event that the forty (40) rider maximum is not reached on the day of racing (at close of machine examining) due to withdrawals or non-attendance, qualifying will not occur and the class will revert back to normal practice conditions of 2 laps.
- 7.3 Where a class requires qualifying, timed practice will determine the gate pick for the first heat and which riders go into the Championship Class and which ones go to the reserves.

8. MINIMUM/MAXIMUM RIDERS

8.1 State Championships

Minimum Numbers

A minimum of 10 solos (5 for girls' solos) and a minimum of 5 quads must be bona fide starters for points to be accumulated towards the Championship.

This minimum will be determined by the number of bona fide riders starting practice.

Determination of Final Numbers:

Final numbers to establish or constitute a class will be taken from the results from bona fide starters at practice.

Maximum Numbers

A maximum number of starters will be forty (40) for solo riders and twenty (20) for quad riders for each . Should there be more than forty (40) entries for solo riders and twenty (20) for quad riders, qualifying will be included into the day's race programme.

8.2 Support Classes

Minimum Numbers

A minimum of eight (8) riders are required to constitute a class.

Maximum Numbers

The maximum number of entries that will be accepted per class is forty (40).

9. RACE CONDITIONS

Practice

Practice will commence no later than 7.30am on the day for all capacity classes. Minimum three (3) laps, time permitting unless Qualifying is required.

Rider's Assistant

One (1) assistant over the age of sixteen (16) years will be allowed up to the starting gate and must leave the start line immediately once the last lap board is presented or instructed by an official, which ever happens first. The rider's assistant must not interfere or block access to the start line of other riders. Penalties will be imposed on the rider & assistant if you fail to obey the rules in the starting area. At no time are the riders or their assistant permitted to touch or step over the starting gate, this could result in the rider being disqualified and removed from the starting area.

Method of Start Drop Gates-Clutch Start

1. 15 second board will be displayed to all riders for a full 15 seconds.
2. 5 second board will be displayed to all riders for 5-10 seconds.
3. The gate will drop.

Gate Positions

Gate Positions will be drawn by ballot by the rider on the day for the first race, e.g. peg number 1 is equal to first choice of gate and peg number 15 is equal to fifteenth choice of gate and so on. Gate position will then be determined for the following races by your previous race result, e.g. first place gets the choice of gate first and so on. In the case of when 2 classes are competing in the same race, gate position will be determined by order of finish (i.e. a combination of both classes). Riders that DNF (Did Not Finish) will have last gate pick in order of DNF.

Gate positions for Qualifying will be drawn by peg as above for all qualifying heats.

Finishes

A competitor finishes and qualifies for inclusion in the results if the competitor:

- a) completes not less than 50% of the race distance; and
- b) is shown the chequered flag crossing the finish line.

Scoring will be as per GCR 10.16.13 for all championship classes.

10. AWARDS

Medallions will be presented to the first three overall placegetters of each class and all participants in the Demo classes at each championship round.

11. CHAMPIONSHIP SERIES

State Championship Awards will be awarded by Motorcycling WA to 1st, 2nd & 3rd in all Championship classes at the Night of Champions on Friday 8th of November 2019 (this date is subject to change, please check the Motorcycling WA website for confirmation).

12. TRANSPONDERS

Transponders will be compulsory at these events. Transponders can be hired for \$15 (\$10 hire plus \$5 administration) per day. Competitors with their own transponders will be charged a \$5 administration fee only. It is compulsory to have purchased and fitted a transponder bracket prior to this meeting. Transponder brackets are available for purchase for \$15.00 from the event. You must supply your own cable ties. Condition of entry:

- When a transponder is transferred to the competitor, it is the competitor's responsibility for any repairs or replacement cost of the transmitter if damaged or lost.
- It is the competitor's responsibility to ensure the transponder is mounted correctly, and securely to prevent damage from fouling other components on the machine.
- It is the competitor's responsibility transponders are returned in good condition at the end of the event, or if due to machine failure or injury before the machine leaves the pit area. Competitors WILL be fined \$50 for not returning transponders on the day.
- Transponders must be returned to the designated person as advised at riders briefing.
- If you do not return your transponders within 30 minutes from the conclusion of racing you will have 7 days to return your transponder to the MWA Office. If you do not you return it within 7 days you will receive a \$300.00 replacement invoice and your license will be instantly suspended until you return the transponder or you pay the invoice.
- Transponders must be fitted for all practice sessions.
- NOTE: The onus is on the guardian/rider to ensure transponders are on machines prior to each event. Please download order forms the website www.motorcyclingwa.org.au and forward to Motorcycling WA.
